Forms of Poetry written by me

1.

Clouds mark the blue sky,
Making everything dreamlike,
It rains in my heart.

2.

A child said What is poetry? holding them to me with full hands.
How could I answer the child? I do not know what it is more than he.

3.

Pull up, dad!
I'm here to send you a message.
And now you will be delighted if you find the answer.
Now search in a place where you can find happiness.
Oh, good luck, then!

4.

I am old,
My teeth are gold,

I have a bird,
I like to hold.

My shoes are sold,
My clothes are fold,

And now my story is all told.

Forms of Poetry...Sonnet

Shall I compare thee to a Summer's day?
Thou art more lovely and more temperate:
Rough winds do shake the darling buds of May,
And Summer's lease hath all too short a date:
Sometime too hot the eye of heaven shines,
And often is his gold complexion dimm'd;
And every fair from fair sometime declines,
By chance or nature's changing course untrimm'd:
But thy eternal Summer shall not fade
Nor lose possession of that fair thou owest;
Nor shall Death brag thou wanderest in his shade,
When in eternal lines to time thou growest:
So long as men can breathe, or eyes can see,
So long lives this, and gives life to thee.

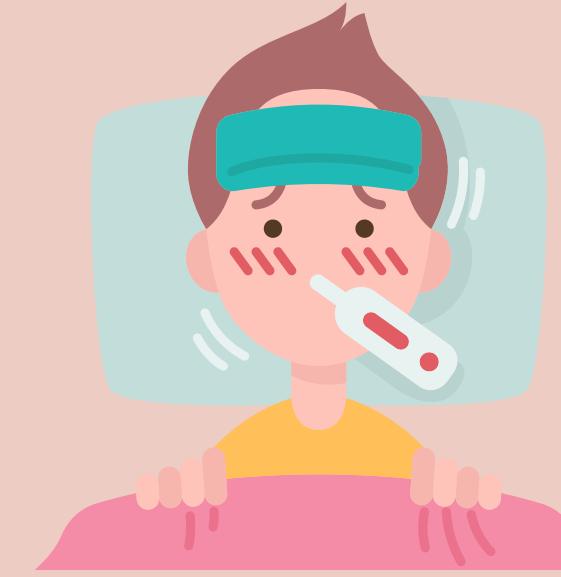

猜猜这是谁写的?

写诗不是苦差，而是乐趣！

它可以用来苦中作乐：

病中作

夏去秋来风云变，
从古至今此期难。
独我卧床黄花瘦，
更有药香吹不散。

2016.9(我九岁写的)

Today I was sick,
from head to foot I was sick.

Mom found I got a flu,
and a headache too!

She made me rest,
she also said being ill is only my health's test.
I took a bunch of medicine,
I feel like I became Edison.
But when I woke up one morning I felt wonderful,
it was like standing on a golden table.

My fever stopped,
but my medicine did not.

它可以是文字游戏：回文诗

One day,
I see
a girl,
in sleep.

Wibbling and wobbling,
down into
the street.

She crashed into,
a poor black car.
She lost her feet,
in one “Ahhh!”

In one “Ahhh!”
she lost her feet.
A poor black car,
she crashed into
the street.
Down into,
wibbling and wobbling.
In sleep,
a girl
I see,
one day.

每一行的首字母要连城一个单词!
可以先想好单词， 将它竖着写下来。
诗的内容要跟你的单词有关。

When the words in the poem
are arranged in a particular
format, a new word is created.

The words that make the
acrostic poem are written and
read vertically.

一些写诗技巧：新手可以多用修辞哈

Simile: comparing two things using "like" or "as"
A woman without a man is like a fish without a bicycle.

He was as quiet as a mouse.

Metaphor: describes something by saying it is
something else, without using "like" or "as"

Life is a wilderness, not a track.

You are a summer's day.

Personification:

Lightning danced across the sky.

Alliteration:

Betty Botter bought a bit of bitter butter.

你的诗由你来定！韵脚(rhymes)、格律(rhyme scheme)、每一行的长度、标点符号、内容，都是你说了算！

如果实在想不到这么押韵，可以先按照作文来写，雪儿老师可以帮助你一起想押韵的单词！

Erasure Poetry

a form of found poetry wherein a poet takes an existing text and erases, blacks out, or otherwise obscures a large portion of the text, creating a wholly new work from what remains.

涂掉原文的一些单词
组成新的一首诗

特别特别好玩！

I apologize to the people I have mistreated and hurt. Although the identities of most of the individuals mentioned in these stories have not been revealed to me, much of the behavior described does, in fact, match up with ways I have acted. That behavior was wrong, and there are no excuses. I take full responsibility and am deeply sorry for any pain, humiliation or discomfort I have caused to my peers, employees, customers, friends and family.

I have work **to** do to try to regain the trust of those I have hurt and disappointed. For this reason, I am going to **step away from** day-to-day operations of my businesses. We built **these** restaurants so that our guests could have **fun** and indulge, but I took that too far in my own behavior. I won't make that mistake again. I want any place I am associated with to feel **comfortable and safe** for the people who work or dine there.

I know my actions have disappointed many people. The successes I have enjoyed are owned by everyone on my team. The failures are mine alone. To the people who have been at my side during this time – my family, my partners, my employees, my friends, my fans – I am grateful for your support and hopeful that I can regain your respect and trust. I will spend the next period of time trying to do that.

我自己写的Erasure Poem!

the other person
machete pointed towards all kinds of letters. My hand drifted from one letter to the other, as though helping the person, or the spirit, to utter his words. What's your name? HREY. How old are you? 63. As I gathered his basic information, I felt the persona to be real, I felt his presence and voice, a voice of a kindly god. Talking through the Ouija board was so much different from chatting in daily life. Voices from the board gave me blurry answers, and I had to solve through its puzzles. I was doing a holy yet difficult work, translating the signs and intentions of a spirit into voice, meaning, and finally poetry. I kept on asking him, but I felt that he was just a shadow of me that reflected my subconscious thoughts. I asked, "what am I doing everyday?". His words were solemn, his voice was flat but insightful as he said, DEPENDING. Depending? Yes, I am indeed depending. I am a dependent rather than an independent, I depend on others' feelings to build my own feelings, I depend on books to live, on people to see, on my cracked soul to save me. I couldn't believe why HREY saw me as a part of him, I couldn't believe that he was a part of me, and had always stayed with me.

Rhymed Poetry

有哪些种类？

我把它分成：

nonsense verse

not-nonsense verse

两种都值得尝试！

-最容易看出来是诗！

-不过不需要每一句都押韵，你可以创建自己的格律

abab, abcb, aabbccdd, aaa bbb

"若是果有了奇句，连平仄虚实
不对都使得的。"

Nonsense Verse: Dr.Seuss, Jack Prelustsky, Lewis Caroll

1.自己编造一种生物/一件事情，然后发挥想象力！

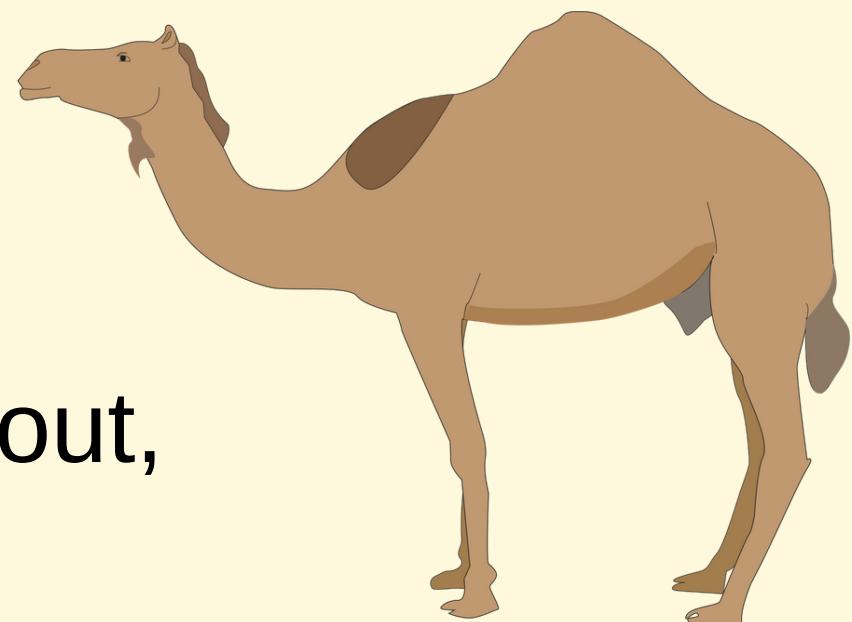

I am Gooboo, who are you?
Can you do what I can do?
I can drink the largest lake,
make the ground beneath me quake.

I can juggle tons of trees,
or a billion bumblebees,
run a hundred thousand miles,
wrestle ninety crocodiles.

There was a Pig that sat alone
Beside a ruined Pump:
By day and night he made his moan--
It would have stirred a heart of stone
To see him wring his hoofs and groan,
Because he could not jump.

A certain Camel heard his shout--
A Camel with a hump.
"Oh, is it Grief, or is it Gout?
What is this bellowing about?"
That Pig replied, with quivering snout,
"Because I cannot jump!"

The Creature Called Lation

by me (11 years old)

I once owned a creature who was called Lation,
And my (!) that creature had a singing sensation!

It screamed and it howled and it sang all the songs it knew,
And I had no choice but to send it to zoo.

However a few days later the zookeeper tried to complain,
Of how Lation's voice had made all the other animals insane.

I bit back my retort of him being very wrong,
Since I knew no one could bear Lation and his song.

But then an excellent idea popped out of my head,
Could I earn money using Lation instead?

So I made a poster of Lation the King,
And it only cost one dollar to hear the King sing.
Many people including me thought it was ludicrous,
But they all bought tickets which really was marvelous.
Some couldn't stand the noise so they told me they were sorry,
Though I got the money so there's nothing to worry.

A rock band told me they like Lation very much,
They asked me how much dose it cost to buy Lation and such.

I was too happy so I blurted out "ten",
How I wish I could re-set the price again.

So this was how Lation had been sent away,
I still make it a birthday cake every May.
I haven't been to any of its concerts even when it costs a dime,
Because I have had enough of Lation's songs to last me a lifetime!

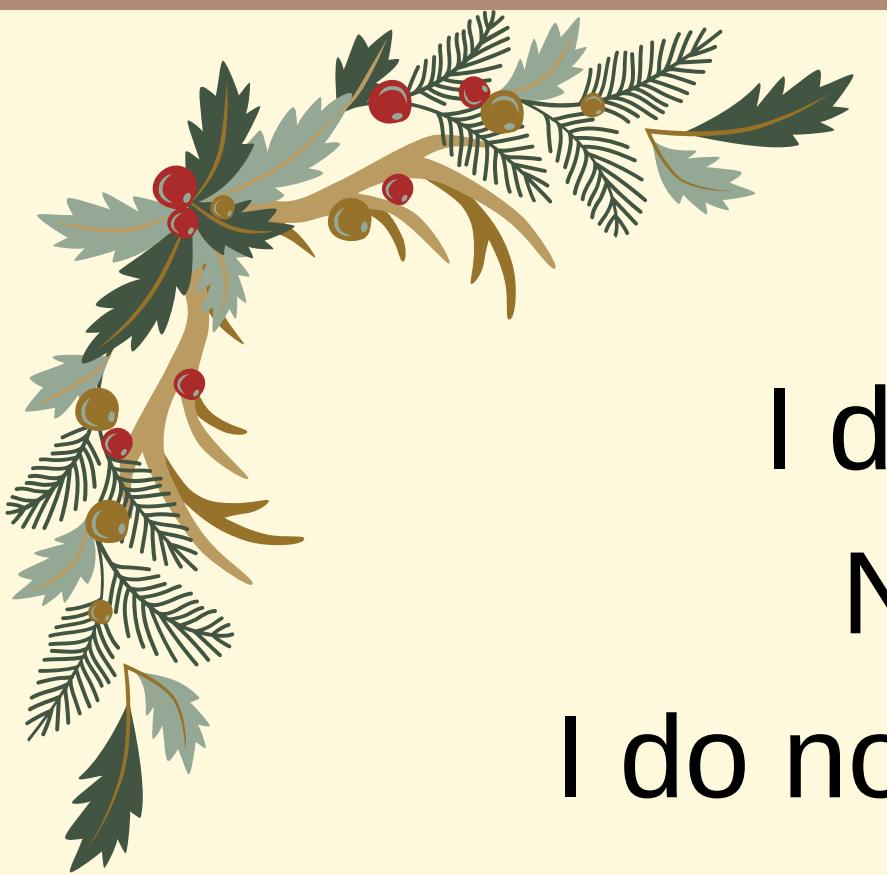

2.设计反转，让读者意想不到，这样会很有趣！

Please let me sleep all day today,
I need to stay in bed.
I'm hardly even half awake,
I'm sure my eyes are red.

I try and try to open them,
but can't remember how.

You say today is Saturday?
I'm getting up right now.

I do not like November.
November is no fun.
I do not mind the other months,
but truly dread this one.

It is the month we celebrate
Thanksgiving in our land.
Alas, I am a turkey--
perhaps you understand.

Not-Nonsense verse: Can be about anything!

1. 动植物、你喜欢的物品、今天发生的事情、你的好朋友.....

The Tyger (Tiger)

节选

Tyger Tyger, burning bright,
In the forest of the night;
What immortal hand or eye,
Could frame thy fearful symmetry?

In what distant deeps or skies.
Burnt the fire of thine eyes?
On what wings dare he aspire?
What the hand, dare seize the fire?

老虎 老虎，目光灼灼
在黑夜的林中巡逻；
怎样不朽的巧手与眼球，
能把你惊人的匀称塑就？

在多遥远的海底或天边。
燃着你眼中的熊熊火焰？
凭怎样的羽翼他敢于凌空？
何等铁手敢于纂取那火种？

Not-Nonsense verse 2.直接抒发你的思想感情、喜怒哀乐。

Still I Rise (节选)

You may write me down in history
With your bitter, twisted lies,
You may trod me in the very dirt
But still, like dust, I'll rise. **what technique is this?**
Does my sassiness upset you?
Why are you beset with gloom?
'Cause I walk like I've got oil wells
Pumping in my living room.
Just like moons and like suns,
With the certainty of tides,
Just like hopes springing high,
Still I'll rise.

韵脚版本的飞花令？

一些写诗技巧！

可以用一些修辞手法，比如simile, metaphor, personification, alliteration, triplet, repetition, enjambment, caesura.

先从自己感兴趣的类型下手，写完第一种再写第二种（如果有时间的话）。俳句不一定要有关自然，想写什么都可以！

这两个类型都不用押韵，但是如果你想押韵也很好！有问题随时找雪儿老师！
